Important:

- Although protective headgear can help to keep a rider/driver as safe as possible, no headgear can prevent serious injury under certain circumstances.
- Perfect fit and the correct adjustment of the retention harness are essential to the performance of protective headgear. Please always try on the product and ideally have it fitted by someone that is qualified to do so. Avoid buying online, even if you bought the same model before, as individual differences may exist.

Late entries will start first.
2. A complete list of athletes and horses, including late entries and any changes in the published programme, must be supplied to the Ground Jury ten minutes before the start of the competition.

Article 137 – ORGANISERS

1. Competition Calendar

- 1.1 HKEF Affiliated Events are national/ local International events which have been officially approved and sanctioned by the HKEF, and must consist of a series of points accumulating competitions for the purpose of HKEF Horse of the Year Awards. Only results from Ranking Competitions are recognized for HKEF Horse of the Year Awards points accumulation, national team selections as well as any financial subventions and sponsorships under the auspices of the HKEF.
- 1.2 For an Affiliated Events to be sanctioned by the HKEF, it must be widely accessible to all Athletes and Riding Clubs/Schools so that the results are representative of the Athletes' effort and achievement against their peers. For this purpose, it is necessary to establish an annual events calendar to be published before the commencement of each competition season to give Athletes a fair chance to plan their training and competition schedules ahead of time.
- 1.3 Fairness and integrity are the cornerstones for all competitive sporting events and we must strive to create a level playing field as much as humanly practicable. For this reason, all HKEF Affiliated Events and Ranking Competitions must be run continuously at a single venue in the same arena so that all Athletes and Horses are competing under the same conditions.
- 1.4 Organisers intending to hold a Hong Kong Equestrian Federation Sanctioned National or International (FEI) Events must submit the Competition Application Form (CAF) on or before [15 July] of the preceding Competition Season, accompanied by a Calendar Fee Hong Kong Dollar Three Thousand (HKD3,000) **(HKD2,000 for 2021-2022 season and 2022-2023 season remain unchanged)** as stipulated by the Executive Committee from time to time.
- 1.5 In principle, HKEF will only sanction ONE (1) HKEF Affiliated Event for each calendar week (Monday to Sunday), but an Organiser can request to be put on the waiting list; only ONE (1) OC will be put on the waiting list for each calendar week. This request must be submitted before [15 July] preceding the start of the competition season following the same procedure applying for an HKEF Affiliated Event, a Calendar Fee will be levied. This Calendar Fee is, however, refundable if the Organiser has not been awarded an HKEF Affiliated Event THIRTY (30) days before the calendar week in question (see below for substitution procedure for an Organiser on the waiting list).
- 1.6 For the benefit of the Athletes to better manage their competition plans and for the promotion of the equestrian sports, only one Event per Discipline will be sanctioned on any given calendar week (Monday to Sunday) to avoid clashes.
- 1.7 Should there be more than one Organiser applying to host an Event on the same week, the dates will be awarded on a first-come-first-serve basis. In any event, an Organiser who had hosted an event on the same week in the preceding Competition Season shall have priority over other applicants and have the right of first refusal to host an Event on that same week.

- 1.8 Should a sanctioned HKEF Affiliated Event or any of the Competitions therein fail to meet the standard of competitions as prescribed in the Event Schedule, or in exceptional circumstances where an outbreak of disease or any other unforeseen circumstances have the effect of limiting movement of Athletes or Horses in a way that compromises the participation of an event, the HKEF Secretary General, in consultation with the HKEF Rules Subcommittee, will revoke any affected HKEF Affiliated Events and invalidate any results as it is unfair to award any HKEF Horse of the Year Award points or sanction any results at events where the majority of Athletes and Horses cannot participate.
- 1.9 The HKEF shall notify all applicants on or before [1 August (under review)] in writing whether the applied dates are available. If the applied dates are not available, alternative dates will be suggested to ensure the maximum number of events are accommodated in the Competition Season.
- 1.10 If the applied dates cannot be granted to an Organiser and no mutually agreeable alternative dates can be found, the Calendar Fee will be refunded in full.
- 1.11 If an Organiser cannot organise an awarded HKEF Affiliated Event on the week in question for whatever reason, it must notify the HKEF no later than THIRTY (30) days before the event. In this case, the Calendar Fee will be forfeited and calendar week in question will be awarded to the Organiser on the waiting list.
- 1.12 The HKEF shall publish the first draft of the Events Calendar for the upcoming Competition Season no later than the [15 August].
- 1.13 Should an Organiser wish to change the dates of an Event after the annual Event Calendar is published, the original approved date will be treated as a cancellation with the Calendar Fee forfeited. The forfeited Calendar Fee, however, can be credited towards the application of a new Event in the same calendar year. A new CAF will have to be submitted following the Late Applications Procedure below.
- 1.14 Once the CAF is submitted, the Calendar Fee is non-refundable (except as described in 1.5 above) unless the Event is cancelled due to a Force Majeure and special approval is granted by the Executive Committee.
- 1.15 Only currently listed HKEF Technical Officials qualified for the level of the Competitions (or FEI Technical Officials where the discipline rules allow) can be named to any HKEF Affiliated Events. All Technical Officials named to an HKEF Affiliated Event must be present at the venue when Competitions are underway.
- 1.16 In any HKEF Affiliated Events, Ground Jury, represented by its President, represents the HKEF and is tasked with the interpretation and enforcement of all applicable HKEF Rules and Regulations.
